

## 1 Turn the LIVEN 8bit warps on.

- Supply power in one of these ways.
  - Install 6 AA batteries in the battery compartment on the bottom.
  - Connect an AC adapter with DC9V output (1A or higher, EIAJ3 standard, 1.7mm inside diameter, 4.75mm, outside diameter, center +). ※

※Always use an AC adapter with these specifications. Using an AC adapter with different specifications could cause damage.

- Press and hold the **POWER** switch to turn the unit on.

## 2 Play a variety of sounds.

- Press the **MEM** button.
- Press the **Page** and **Step** buttons to select sounds.
- Turn the **VOL** knob to adjust the volume.

Visit our website for detailed use instructions and the latest information.
